

ECC 2016 – Bulletin #11

The Mood is rising

Dear all,

We are nearly there. Just 8 weeks to go and it's time now to double check, that your boss really approved your holiday and to be friendly to your colleagues, who you want to charge with your tasks in your absence.

"It's come to my attention that one of you got behind on your work because of looking at boats on the Internet."

For those who like to prepare themselves mentally, please find enclosed the link to RIXOS Hotel <http://premiumgocek-de.rixos.com>, where we will have Welcome and Price Giving Party. Rixos Hotel showed really great engagement in supporting our event and we are looking forward to enjoy their hospitality. In case you arrive before Saturday or need to take a break after ECC2016, please find the price list of Rixos hotel in the attachment. Rixos rates are **Ultra All-inclusive** i.e. including breakfast, lunch, dinner, beverages as well.

The regatta will run officially under GYC Göcek Yacht Club. GYC support young people, who otherwise would never have the chance to enjoy this wonderful sport, by sailing lessons. We think is a very good initiative and if you have 2nd hand sailing clothing for youngster, which blocks your cabinet, please feel free to donate it. Other means of support are also highly welcome.

For those, who could still accommodate a further hand on board, please address us, we still have several experienced volunteers.

We have to inform, that Angelo Ottavani (Boat 35) had to decline his participation due to health reasons and we wish him all the best for his recovery.

However, we are happy to introduce Rainer Philipp, who will take over Angelo's boat and will participate first time to our event.

Otherwise the organization goes ahead. Vassilis Kaskouras, Greek International Race Officer experienced in IRC and ORC off shore races, is engaged in ECC2016. Vassilis will be supported by Mustafa Gencaslan, who will be his right hand. Mustafa is well experienced in ECC and Turkish waters.

Best regards,

Oliver Tondorf and Crew of EC 23(Commodore and OC of ECC 2016)

Please keep in mind our sponsors: without them our event would not take place
